1. Q – Please provide some specifics relative to the Primary Seatbelt Law and seatbelt usage?

A – The law governing seat belt use in Rhode Island is *RIGL § 31-22-22*. Applicants should be aware that on 6/28/2013, the RI Legislature made two specific changes to the original law. The first was the removal of the primary law's expiration date, which kept the law primary. Secondly, the fine for occupants 8 years old and older was reduced from \$85 to \$40. These changes are not yet reflected on the on-line RIGL directory, but they may be found at the State House Library.

Primary Seatbelt Law summary:

- **Drivers and passengers MUST wear seat belts**
- **Officers may stop vehicles BECAUSE occupants are not belted; NO OTHER OFFENSE IS REQUIRED; THIS IS THE LAW IN RHODE ISLAND**
- **Under RI law, the driver of the vehicle will be fined \$40 for each passenger age eight years and older for not wearing a seatbelt and \$85 for each passenger younger than age eight for not wearing a seatbelt.**

2. Q - Can you provide us with a list of resources that are available for closed-captioning? Specifically, will the purchase of closed-captioning software be considered an eligible expense?

A –Purchasing of close captioning software is NOT an eligible expense under this Grant. However, we can reimburse you for utilizing closed-captioning services.

The following Federal Communication Commission (FCC) link provides information regarding closed- captioning services:

<http://www.fcc.gov/encyclopedia/closed-captioning-video-programming-television>.

3. Q - Is it acceptable to purchase car seats under this particular Grant?

A – NO. NHTSA Section 406 funding under this Grant is specific to supporting the "Continuing Primary Seatbelt Education and Statewide Public Outreach Program". This Program is specific to promoting education and awareness relative to seatbelt safety and usage as mandated by State Law.

There are other programs in place within the Office of Highway Safety for car seats. Other funding sources administered through RIDOT (that are also seat belt-related) include NHTSA Section 402 OP and NHTSA Section 2011. For more information, please contact Elvys Ruiz at elvys.ruiz@dot.ri.gov .
